Packaging dimensions (L/W/H)	mm	1310 / 800 / 810

**NEW-**  
development

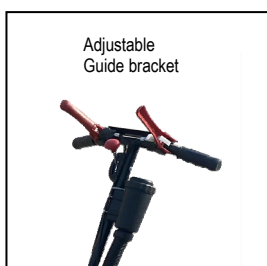

Incl. front guide wheel

Art. No.: HGM550

EAN: 40 47424 00762 4

### Equipment Features:

- The mulching mower is ideally suited for garden and landscape maintenance, mulching roadside vegetation, traffic islands and hard-to-reach areas.
- It is used for mowing and shredding low to medium height grass left in place.
- The compact design and light weight make the HGM-550 very maneuverable.
- Equipped with a front guide wheel.
